A big thank you to all club members who returned those surveys. Your input was most helpful and enlightening. Any time you have an idea to share, regarding possible club activities, don't hesitate to tell it to a committee member. Rest assured it will be considered by them.

Company Picnic (rescheduled)

Well how about that! This always fun company event was originally scheduled for Saturday, August 20th. An ominous weather forecast forced the date to be rescheduled to **Sunday, September 18th**. The hours remain the same (11:00 am - 7:00 pm). The new location is **Channahon Community Park on 23304 W. McClintock Road in Channahon**. This is a popular event for our club members. You won't want to miss it!!!

You can pay your 2017 dues anytime before the end of the year. The amounts are unchanged. Just send your money to the club address, or hand it directly to our treasurer **Nick Hively** or our Membership Chairperson **Carla Hutley**. You'll have it off of your "to do" list.

Your Contact Information

There are those occasional times when we need to reach you, either by email, telephone, or snail mail. That's why it is important that you keep us informed as to any changes in your contact information. Just contact any board member with your new information. She/he will see that it gets recorded.

Chicago Architectural Tour

What a big success this outing was. On July 12th a full busload of your fellow club members ventured to Chicago for the always popular **Architectural Tour**. Everyone was well fed and learned a lot about Chicago. Thanks for this fun event **Activities Committee**.

Bus Tour, Racine Wisconsin

This was a fun and informative day trip outing that our **Activities Committee** arranged for us. We learned about the visionary founder of the SC Johnson Corporation and that company's many products. The company campus was interesting to behold including its numerous connections to renowned architect Frank Lloyd Wright. We ate well at the **Reefpoint Brew House** and indulged our sweet tooth at the **O & H Bakery**. This was a fun day!!!

Savannah Bus Tour

The big trip approaches. Thirty-seven club members and guests are all set to leave on their big bus on September 25th. They'll tour Savannah and numerous surrounding sites, including the sea islands of Beaufort, SC and Jekyll Island. They'll learn how the wealthy, like J. P. Morgan and William Rockefeller, lived and played. Those interested in World War 2 history will enjoy touring Parris Island Marine base.
