Joliet Refinery on Facebook

Just a reminder...the Joliet Refinery invites ExxonMobil retirees and their spouses to request access to the Facebook Joliet Refinery Closed Group. This is a great way to keep in touch with what's going on at the refinery (such as the major turnaround) and refinery outreach into the community.

In Facebook, search on "Joliet Refinery" and click to request access.

1Q19 HIGHLIGHTS

Bunco/Euchre Potluck—January 9, 2019

Members gathered in the Minooka Village Hall Community Room on a wintery January 9th afternoon for a potluck. We enjoyed hot soups and chili provided by the Program Committee and carry in sides and desserts. We then broke up into 2 groups for spirited Bunco and Euchre tournament play. Faye Holsinger won the Bunco tournament, and John Bradley won the Euchre tournament.

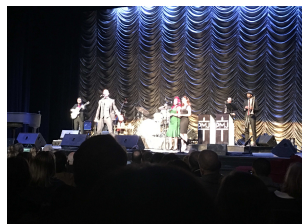

Juliet's Tavern/Postmodern Jukebox—February 10, 2019

Members gathered for dinner and a show in Joliet on a wintery February 10th Sunday evening. We enjoyed a family style Italian dinner at Juliet's Tavern and then proceeded down the street to the Rialto Theatre. There we enjoyed a rather unique performance by Postmodern Jukebox (PMJ), a rotating musical collective founded by arranger and pianist Scott Bradlee in 2011. PMJ is known for reworking popular modern music into different vintage genres, especially early 20th century forms such as swing and jazz. Their performances also feature a tap dancer.

PMJ has amassed over 1 billion YouTube views and 3.6 million subscribers. Their on-line popularity has enabled them to sell tickets and tour. Different from most shows, the audience was encouraged to take photos and videos and post them to social media. A video snippet from PMJ's Rialto performance is available on YouTube at:

John Deere Pavilion/Diamonds & Divas—March 13, 2019

Members gathered on March 13th for a road trip. We enjoyed coach bus transportation to Moline where we toured the John Deere Pavilion and learned about the history and products of the John Deere Company. The most interesting machine on display was an experimental walking tree harvester reminiscent of the Star Wars AT-AT Walker.

We then proceeded to the Circa '21 Dinner Playhouse in Rock Island. The Circa '21 theater was constructed in 1921 with a Native American theme. The original auditorium style seating was converted to Las Vegas style seating. The wait staff served us lunch and then performed a 15 minute song and dance routine. We then enjoyed a performance of a comedy entitled "Diamonds & Divas".

The ExxonMobil Retiree Club invites you to join us for dinner and theater at the "NEW".

Conklin's Barn III

Nana's Naughty Knickers

The *grand* opening of the new **Conklin's Barn III** brings a great dinner followed by a delightful & laugh-out loud comedy—a live theater performance—entitled **Nana's Naughty Knickers**. Bridget and her grandmother are about to become roommates. However, what Bridget saw as a unique opportunity to stay with her favorite Nana in New York for the summer quickly turns into an experience that she'll never forget. It seems her sweet Grandma is running an illegal boutique from her apartment, selling hand-made naughty knickers to every senior citizen in the five-borough area! Will Bridget be able to handle all the excitement? Will her Nana get arrested - or worse, evicted? As an added bonus, there will be a *Hat's Off to Mom* Contest. Join in the fun! Wear your special bonnet ladies if you would like to...and guys are welcome to show off their hats, too!
