

ExxonMobil Foundation Matching Gift Programs

January 24, 2022

To: Recent ExxonMobil Foundation Educational Matching Gift and Volunteer Involvement Program Participants and Grant Recipients

Re: New CyberGrants Online Platform Now Active

Last month, we informed recent Educational Matching Gift and Volunteer Involvement Program participants and grant recipients of the transition to a new CyberGrants site that will be used to submit and certify grant requests. **The new website, www.cybergrants.com/exxonmobil/login, is now active and ready for use.** As a first-time user in this new system, **you will be asked to create a password on the login page.**

Instructions for logging in and applying for and certifying Educational Matching Gifts and Volunteer Involvement Program grants through the new website are attached and also available on the website. Historical information regarding pending and previous requests for grants has already been transferred to the new website. Therefore, please do not resubmit requests for grants made prior to the transition.

As a reminder, requests for Educational Matching Gifts or Volunteer Involvement Program grants are subject to review and approval by the ExxonMobil Foundation. Applications are reviewed to determine eligibility and compliance with program guidelines. Program guidelines are attached for your reference and available on the website.

As is the case with any transition to a new technology or process, we understand that you may have questions or experience temporary technical issues. Please contact CyberGrants at exxonmobilsupport@cybergrants.com or (877) 807-0204 should you have any questions about logging into the new website. We kindly ask, however, that you carefully review the website instructions before contacting CyberGrants.

Please note that the previous EasyMatch email address will no longer be active. **You may consider adding the "cybergrants.com" domain to your email platform's "safe list" to ensure that you receive and can respond to communications in a timely fashion.**

We appreciate your participation in the Foundation's programs and your patience as we complete the transition to the more modern and effective website.

Thank you for your attention.

Sincerely,

Bill Holbrook
Executive Director, ExxonMobil Foundation

c: Kevin Murphy, President
